

## Presentation Format for Conference

### Slide 1 – Title Slide

EAST BRIDGE University/ACT-East Bridge University/ACT-European International University  
Convocation 2025

Title of the Thesis

[Full title exactly as published]

Presented by

[Student's Full Name]

Registration ID: [Reg. ID]

Degree: [e.g., PhD / ED.DI /DBA/ AD Master's]

Published in: East Bridge Centre for Research & Innovation (EBCRI)

Date of Publication: [DD Month YYYY]

[Optional: EBCRI logo top-left]

### Slide 2 – Certificate of Publication

This thesis titled

"[Full Thesis Title]"

has been successfully completed and submitted to  
East Bridge Centre for Research & Innovation (EBCRI)  
under Registration ID: [Registration ID]

#### Status

Successfully defended on: [Defense Date]

Supervisor/Guide: [Name & Designation]

#### Current Publication Status:

Published in EBCRI Journal on [Date] (if already published)

OR

Accepted for publication (if accepted)

OR

Under peer-review for publication (if under review)

OR

Completed and awarded degree (if not intended for publication)

### Slide 3 – Acknowledgement & Gratitude

My sincere gratitude to (Name of the Institute) for providing this prestigious platform

Heartfelt thanks to my Supervisor / Guide: [Name & Designation]

Special thanks to the Editorial Board and Reviewers

Gratitude to my family and peers for their constant support

### Slide 4 – Research Motivation & Background

The real-world problem/research gap I identified

Why this topic matters today  
Personal motivation behind choosing this area

Option:(Use 1 powerful image or statistic)

### **Slide 5 – Research Objectives**

Clearly state 3–5 objectives (bullet points)

### **Slide 6 – Methodology at a Glance**

(Keep it simple – no heavy technical jargon)

Research Design: [Qualitative / Quantitative / Mixed

Sample / Participants: [Number and type]

Tools / Techniques Used: [e.g., Surveys, Interviews, AI Models, SPSS, etc.]

Duration of Study: [e.g., Jan 2024 – June 2025]

### **Slide 7 – Key Findings**

Highlight only the 3–4 most important results

Finding 1 → Impact

Finding 2 → Impact

Finding 3 → Impact

### **Slide 8 – Major Contributions & Originality**

This is what makes YOUR work unique:

First study to ...

Proposed a new framework/model / tool

Filled a critical literature gap in ...

Practical implications for [industry/education / policy]

### **Slide 9 – Conclusion & Future Scope**

The research successfully achieved all stated objectives

Key takeaway message in one sentence

Suggested areas for future research

### **Slide 10 – Thank You & Questions**
